Any facts you want David to be aware of regarding their facilities in Region 6. I seem to recall the DFW area facilities do not use EtO. I know Santa Teresa installed controls after 2014. You might prepare just some factual bullet on their operations in the Region, but put a little additional focus on Santa Teresa and what NMED may be doing/thinking.

GM!

I am following up with everyone regarding a meeting with Gwedolyn Keyes Fleming and Sterigenics. We are looking at Tuesday, March 9, 10:00 AM CST. Please confirm with me if this works for you. James McGuire let me know if you would like to attend as well.

Thanks everyone,
